CONVINCING FACTS

FROM HOME PEOPLE
To the Public:—This is to certify that we have sold all the drugs and compounded them for C. W. Burgeon's celebrated family medicines for the last seven years.

He buys the finest pure drugs and can cheerfully recommend his remedies as being pure having great curative properties and to contain no harmful drugs.

I have used Burgeon's Catarrh Solution for about eight months and have been helped so much that I am led to believe it will entirely rid me of catarrh. Several other remedies have been tried but they failed to reach the spot. Sufferers from nasal catarrh or hay fever should certainly give Burgeon's a good trial. You will be convinced. His remedies are gill-edged. Rev. E. L. Motter, Weston, Ohio. Sold by all druggists.

take pleasure in stating that shipments of Burgeon's original remedies to regular customers have increased substantially during the present year.
